Nuts! Our first ride of the year turned into carpools due to the rain, but it was a good day. We met at the Denny's at Everett Turnpike exit 6: the Crete's and guest, the Lewis', Roger Retzke, Dick Wood, and a young man who found us via the internet. Our trip was to the National Heritage Museum in Lexington, MA. The current displays are "George Washington: Freemason and Founding Father," "Revere's Ride and Longfellow's Legend," "Lexington Alarm'd," "To Build and Sustain: Freemasons in American Community," "Made in Massachusetts," "Deep Inside the Blues," and "The Enchanted Clocks of George McFadden." The museum was very interesting and rewarding, and we were done in about three hours.

We missed not seeing some of our new members, but maybe next time... As planned, no business was conducted but we noted that Kim's ankle is healing; she says she can predict weather changes. After we parted company, our new friend contacted members of Morrison Lodge and petitioned for the degrees of Masonry; it was read in Lodge the following night and we look forward to attending his degrees.

The next ride is June 26, to the Grand Lodge's St. Johns Sunday outdoor service at Cathedral of the Pines in Rindge, NH (indoors if rain). The breakfast plan is to meet at the closed restaurant off route 101 exit 2 (Candia/Auburn) at 7:30 am and ride to Gary's Harvest restaurant on route 101 in Wilton; we will arrive at Gary's ~8:30 am for anyone who wishes to meet us there. From there it is ~1/2 hour ride to the Cathedral. Anyone living west of exit 2 can meet us along the way. We will be taking route 101 all the way to Peterborough and will monitor CB channel 1. GL opens at 10:30, service 11-12. Please bring church attire.
