What happened to summer? July flew by, then August, September, and now it's October and the riding season is almost over! (whine...) In August, Chapter 14 was represented at the annual conference in Minnesota by the Cretes. Used to be, the longest distance rider only got a certificate — Don's reward was to be elected as International's vice president. Their round trip was 3,546 miles and one tire.

The internet has become a very effective method of reaching candidates. We were recently contacted from Nantucket, MA, and Alton, NH, and our newest members are Robert & Janet Lawson of York, ME. **Welcome!** Our new Brother Stephen Hochreiter should receive his MM<sup>o</sup> sometime soon and can then complete his MMCI-14 membership quest that began in May. **Congratulations!** We'll announce his MM<sup>o</sup> date as soon as we find out.

An October ride is still possible — if you have a favorite route or destination you would like to share with us, please feel welcome to tell us and/or to lead the way. (A CB radio is not required.) Please contact one of the officers.

As we move into the off season, we still have our annual post-holiday family party to look forward to (leave the bikes, bring the kids). We need a volunteer to propose a central location for ~25 on a Saturday evening, preferably in February. Will you be the one? An announcement will be made later.

The March, 2006, annual meeting will be held on the 19<sup>th</sup> at Rockingham Lodge #76 in Candia at 10:30 AM; this is the last morning of their weekly winter breakfasts. Come for both. Dues for 2006 should be paid to the Secretary before or at the meeting (checks payable to MMCI-14). [map & details](#)
