The annual MMCI-14 dinner is now history. There was a wind storm and many power outages, including our destination: the Lake Shore Farms Inn. We arrived just as the last glimmer of the sunset had faded away. Although the restaurant was dark, the smell of our roast pork dinner was filling the inside (cooking with gas). The dining hall was dark and chilly but there were sufficient candles. It was fun, and almost a little disappointing when the power come on half way through the meal. We enjoyed a great dinner, excellent company, and had a really good time.

March 19 will be our annual meeting. Our annual dues are also due by this meeting. Please bring (or send) a check payable to MMCI-14. As warm as this winter has been, it might still be too cold for bikes, but we don't care how you get there. Where? Rockingham #76 in Candia is serving their \$5 all-you-can-eat breakfast until 10AM, so the meeting will begin at 10:30. We have some more new members, too, and look forward to meeting them and talking about our favorite rides.

Sad news: we recently lost Etta French, wife of charter and life member Leon French and a dear friend. On a brighter note, Bob Frawley is recovering well from his heart surgery and attended our annual dinner, but the procedure didn't improve his Grinch-like ways — just ask Ginny.

The first ride will be April 16 (weather permitting) else May 21. Suggested routes / destinations are always welcomed, and we'll toss around some initial ideas at the annual meeting.
