Meeting Minutes This date was a DARE breakfast at Horace-Chase Lodge followed by an ad hoc ride. At the breakfast were Don & Kim Crete, Stephen Hochreiter, Ed Lewis, Roger Retzke and Craig White. No business was conducted. Ed was part of the crew and not riding, so the rest took a short ride to visit a Gold Wing specialist; from there, the Crete's turned for home and the remaining three headed for Lovell, Maine to see the '05 Gold Wing that Craig will have soon. It was a gray and chilly day and they were glad to get home.

News Eastern Star rider Ellie Morrill's husband Joe passed away recently; Ellie would like to honor him with a charity ride. Ellie is looking for help from folks who have organized such rides, and for event workers.

Welcome to new Members Tom and Kristen Lowe, Glenn & Rebecca Mitchell, Chad & Elizabeth Mitchell, and Bill Sylvester. Congratulations to Julie Crete for earning her motorcycle endorsement.

Wheels Don and Kim are still waiting for their '06 Yamaha Royal Star Venture to be delivered; they still have their trusty Kawasaki Voyager & Sidecar. Roger & Ruth sold their '93 Yamaha Venture Royale and now have a '03 BMW R1150RT. Craig now has two Gold Wings — '05 & '97.

MMCI-14 Next Rides The next rides will be Sunday, May 21, and St. Johns Sunday, June 25; see below for details. Everyone is encouraged to be thinking about rides, maybe one to include an overnight stay. Please call or email your suggestions to any of the officers. Also, members are encouraged to share the Ride Captain duties.

Off the Wall This list is an experiment. I'd like to hear from you with ***non-Fraternal*** information that you will refer to or that you know others will find useful. Please don't ask me to list things that are "maybe somebody might want to know someday" or easily obtained by other means, such as a simple

web search. The idea is to list events that you would like to repeat, destinations for a future MMCI group ride, other planned rides, etc. that are not easily found on the internet, published or general knowledge.
