From the President Brethren and members, most of us in the Chapter are also busy with many things. For the weekend of April 19/20 I had to make a choice of which day to ride and which day to get other things

done. Saturday was predicted as a better weather day and one of our members Lodge was holding a DARE breakfast on Saturday so that is where I went. ED and Judi, and Tim and his wife were also there but no one went for a ride.

I will not always to be able to do things on the third Sunday. But any member can schedule a ride. Most of the time I will do things according to what needs to be done. In May some of us are hoping to do a ride May 11 but I also need to get the treasury straightened out which may mean a ride to the breakfast in N. Haverhill that day.

On the third Sunday in May I plan to start the day with the breakfast in Alton at the Lodge on Rte 28, south of the circle. Of course I will try to confirm this later.

Fraternally, Craig White, Chapter president
